These boards are available from Rally Head Quarters. No other boards, unless identical to boards available from Rally Head Quarters, will be acceptable.

b) Carrying of Boards in Rally Cars

Boards must be properly secured to the inside passenger compartment or be secured together with the warning triangle to avoid loss, damage or injury in the event of an accident. They must be easily accessible to the driver and/or co-driver as they vacate their seats in the event of an accident. The position and securing of the board will be checked by Scrutineers prior to the start of the event and no rally car will be allowed to start an event without the board being carried and secured in the competing vehicle in an approved manner.

c) Use of board following an Accident

Should any competitor stop due to an accident whilst on the route being used for the event, the board together with a warning triangle must be displayed. Should medical assistance be required the board must be displayed in such a manner that the red cross is clearly visible to all approaching competitors, preferably at eye level. Care must be exercised to ensure that the correct side of the board is displayed to oncoming competitors. While the board is displayed in this manner the first competitor arriving on the scene shall stop and render assistance. Should a competitor happen upon a scene of an accident without the board being displayed it must be assumed that the injuries are of such a nature that the competitors are seriously injured and unable to display the board. Assistance must be immediately rendered. If further assistance from other competitors is required, the crew of the car rendering initial assistance shall display their board showing the red cross. If no additional assistance is required, the green "O" or "OK" shall be displayed with the "O" or "OK" visible to oncoming competitors until the vehicle has been removed. Competitors not injured following an accident that fail to display green "O" or "OK" shall be subject to disciplinary action being instigated by the Clerk of the Course through the Stewards for the event who in turn may precipitate further action being taken against the offenders by the Rally Organizers.
